ACCOUNTANT'S REPORT

To the Board of Directors
BLOOD CENTERS OF CALIFORNIA, INC.
Sacramento, California

I have reviewed the accompanying statement of financial position of Blood Centers of California, Inc. (a California nonprofit mutual benefit corporation) as of December 31, 2004, and the related statements of activities and cash flows for the year then ended, in accordance with Statements of Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of Blood Centers of California, Inc.

A review consists principally of inquiries of Company personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to the December 31, 2004 financial statements in order for them to be in conformity with generally accepted accounting principles.

The accompanying 2003 financial statements of Blood Centers of California, Inc. were compiled by me in accordance with Statements of Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. A compilation is limited to presenting in the form of financial statements information that is the representation of management. I have not audited or reviewed the December 31, 2003 financial statements and, accordingly, do not express an opinion or any other form of assurance on them.

Notes to Financial Statements
December 31, 2004 and 2003

NOTE 1: SUMMARY OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES –

This summary of activities and significant accounting policies of Blood Centers of California, Inc. is presented to assist in understanding the Organization's financial statements. The financial statements and notes are representations of the Organization's management, who is responsible for the financial statements integrity and objectivity.

Organization:

Blood Centers of California, Inc. was established on December 1, 1987, and its primary activities at that stage of formation consisted of recruiting charter members and raising capital. The Organization has since then established an association of nonprofit blood centers to promote the common interest of such services and organization, and assistance of nonprofit blood center services and organizations in California and elsewhere by creating the means to combine resources and promote more efficient and effective blood services, and promotion of the activities and interest of nonprofit blood services and organizations.

Donations:

Many individuals donate significant time and services to advance the objectives of the Organization. These services have not been recorded in the financial statements because no objective basis is available to measure the value of such services.

Estimates:

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Financial Statement Presentation:

The Organization maintains its accounts on the accrual basis method of accounting, which is in accordance with generally accepted accounting principles. Net assets are classified as unrestricted, temporarily restricted, or permanently restricted. Net assets are generally reported as unrestricted unless assets are received with explicit stipulations that limit the use of the asset. The Organization does not have any temporarily or permanently restricted net assets.
