ACCOUNTANT'S REPORT

To the Board of Directors
BLOOD CENTERS OF CALIFORNIA, INC.
Sacramento, California

I have reviewed the accompanying statement of financial position of Blood Centers of California, Inc. (a California nonprofit mutual benefit corporation) as of December 31, 2006 and the related statements of activities and cash flows for the year then ended, in accordance with Statements of Standards for Accounting and Review Services issued the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of Blood Centers of California, Inc.

A review consists principally of inquiries of Company personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should made to the December 31, 2006 financial statements in order for them to be in conformity with generally accepted accounting principles.

The accompanying 2005 financial statements of Blood Centers of California, Inc. were compiled by me in accordance with Statements of Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. A compilation is limited to presenting in the form of financial statements information that is the representation of management. I have not audited or reviewed the December 31, 2005 financial statements and, accordingly, do not express an opinion or any other form of assurance on them.
